

# SYMPOSIUM ON Cellular and Molecular Aspects of Fertilization and Early Embryonic Development

## CONTENTS

### Introduction:

DAVID NISHIOKA .....	i
----------------------	---

### Articles:

DAVID NISHIOKA: The Ionic Basis of Fertilization .....	1
GERALD SCHATTEN: The Movements During Fertilization .....	12
DOMINIC L. POCCIA: Biochemical Aspects of Sperm Nucleus Activation by Egg Cytoplasm .....	24
BARBARA WOLFANGER BELISLE: The Cell Cycle in Early Embryonic Devel- opment .....	34
